ALTAIR MEMBERSHIP HANDBOOK

Advancing Club Funds for an Event:

- Trips and other events are expected to be self supporting and to require no advancing of Club funds for deposits or initial expenses. Altair policy is that no checks may be written unless the trip has funds deposited for the event to fully cover the amount requested.
- Some trips require advance deposits to hold the reservation until a future date.
- The Board of Directors may make exceptions to the standard policy, if the following conditions are met:
 - The trip or event has been held in prior years *and*
 - It was financially successful in prior years (event audits were favorable by the audit committee) *and*
 - The Event Leader(s) is the same as in the prior event or has the active assistance of the prior Event Leader(s), *or*
 - A written contract is provided reflecting the advance deposit is fully refundable by a specific, contractually guaranteed date before the funds are disbursed.

Age Requirements:

- All events are open to those 21 years of age or older.
- If individuals under the age of 18 (minors) are allowed, their parent or guardian must accompany them and sign a waiver form for the minor.
- If anyone under the age of 21 is allowed, the event must be advertised as such and approved by the Board of Directors.

Alcohol Policy:

- Altair policy prohibits the purchase of alcoholic beverages with club funds.
- Participants may provide their own alcoholic beverages, and may provide cooler and ice.
- In marketing an event, flyers should state that participants should bring “their beverage of choice” rather than stating – alcohol, wine, or beer.
- People are encouraged to refrain from drinking alcohol prior to returning or on the way home from an event.

Animals:

- Pets are not allowed on any Altair events/trips.

Board of Directors:

- Altair Board of Directors are: President, Vice President, Secretary, Treasurer, two (2) Board Members at Large, and Immediate Past President or a Senior Board Member at Large.
- A Board Member must have been an active member for at least 1 year and agree to remain an active member during the term.
- Officers are elected to serve for the term of one (1) year from June 1 to May 31, the following year.

Board of Directors' Meeting:

- The Board of Directors meet once a month at a designated and announced location.
- The meeting begins at an announced time.
- All members are welcome and Sports Directors & Committee Directors are encouraged to attend.
- Members should contact the Secretary to be placed on the agenda prior to presenting an issue or event before the Board.
- To present an event or trip for Board approval requires the proper forms and copies to be completed. (see **Trip/Event Planning & Presentation**)
- A quorum to enable voting requires a two-thirds (2/3) majority of Board of Directors to be in attendance.

Board Meeting Structure:

- The Board Meeting Agenda is structured for members & directors to present their items/reports at the beginning and then the Board takes care of the business issues after. There is no need to stay for the entire meeting. If you are pressed for time, contact the President and you can request presenting your item first.
- Agenda Outline:
 - Sign-In (all Board Members and Guests are asked to sign in)
 - Presentation of New Trips and Events
 - Directors Reports
 - Approval of Minutes from Prior Meeting
 - Membership Statistics of the Monthly General Meeting

- Approval of the Treasurer's Report
- Old Business
- New Business
- Adjournment or Move to Closed Session- Occasionally the Board needs to hold a private session or closed session to discuss sensitive or confidential matters, which occur in any business or institution. Any Board Member or Altair Member may request a closed session. All discussions are strictly confidential.

Cancellation Policy for Trips/Events:

- Event Leaders **must publish** a cancellation policy.
- The cancellation date should be set prior to any contract deadlines to cancel or amend the contract, usually at least 30 days before the beginning of an out of town overnight event. Event Leaders should contact a Board Member for any questions as to what the event cancellation policy should say.
- Anyone who cancels his or her sign-up must notify the Event Leader(s) prior to the cancellation date for any refund.
- Participants who cancel after the posted cancellation deadline forfeit any non-recoverable money paid, unless the Event Leader has a waiting list for an eligible replacement or based on the Event Leaders' cancellation policy. (See **Refund Policy**).
- If an event/trip is cancelled all participants will receive a refund of money paid for the event less any unrecoverable expenses.
- Participants who need to cancel should notify the Event Leader as soon as possible. The cancellation may have an impact on the organization of the event (ie. golf 4-somes; pinochle, murder mysteries where roles are assigned, lodging/food, carpooling).
- Those who need to cancel should not find their own replacement unless directed by the Event Leader as there may be a waiting list for the event and the next in line should have the opportunity to fill the vacancy.

Car Pooling Expenses:

- In order to ensure that carpool drivers do not experience undue hardship, Altair recommends that passengers pay at a rate of \$.10 per mile. Example: if carpool mileage is 100 miles round trip, then each passenger would contribute \$10.
- This is intended to cover not only the driver's fuel cost, but also the incremental cost of tires, maintenance, post-trip cleaning of the vehicle, etc.
- The driver may decide to share the actual gas cost per each person in the vehicle.
- The amount per mile is a recommendation only. The driver ultimately decides the contribution amount, but it should be communicated beforehand.
- For events where travel is involved, it would be desirable for the flyer to mention the mileage and approximate car pooling expense.

Check Requests:

- Expenses incurred in planning an event/trip or refunds can be reimbursed upon submission of a check request to the Treasurer. Check requests are available at www.altairsports.org FORMS or at the General Meeting.
- You must submit original receipts for all expenses and reimbursements with the check request.
- Altair requires two signatures on all checks, so remember the best time to receive your check is at a General Meeting or a Board Meeting.
- Event funds **MUST** be deposited for your event to fully cover checks being requested.
- Altair makes an exception if you have prior approval of the Board to authorize advance payments prior to funds being collected and deposited. (see **Advancing Club Funds for an Event.**)

Children:

- No one under age 21 is allowed to participate in any Altair event unless the Event Leader has declared minors are allowed and advertised the trip as such.
- Board approval is required before allowing anyone under 21 to participate.
- If individuals under the age of 18 (minors) are allowed and approved by the Board, their parent or guardian must accompany them and sign a waiver form for the minor.

Directors (Sports, Administrative Directors):

- Directors are non-elected members who are nominated by the President and ratified by the Board of Directors to be responsible for the successful accomplishments of all the activities required by the sports interest/committee to which they are assigned.
- Any member may be ratified in a directorship position if they have been an active member for at least 6 months immediately prior to being nominated.
- Directors are responsible for keeping the Board informed of events and activities pertaining to the events in their realm.

- Directors are responsible for submitting to the Club's Newsletter Editor on a monthly basis - schedules and updates pertaining to the events in their realm.

- The Inventory and Equipment Director has access to these items, and upon Board approval for your event, you may make arrangements to have items checked out of the Altair storage unit for your event.
- Items borrowed must be returned immediately (clean and in good working condition) following the completion of your event so others may use them.

Events Jointly Held with other Clubs:

- It is necessary to confirm that any clubs we have joint activities with have their own liability insurance. Altair must have a copy of the joint club's Certification of Insurance to file with our insurance provider.
- It is necessary to have our liability waiver forms signed by each participant for any and all ski club activities, including participants from the joint club.
- Any joint activities with another Club should guarantee Altair's standard percentage of income.

Event Leaders:

- Event Leaders are designated Club members who organize and/or lead activities for members of the Club and their guests, regardless of event duration or destination.
- Event Leaders must be members of Altair.
- Two Event Leaders are recommended to provide coverage in event of illness or absence.
- A prospective Event Leader(s) must have successfully completed all duties for previous events before new events are approved.
- Event Leaders may not receive any benefits from the event other than an Event Leader(s) incentive reward.
- Event Leaders pay the same price for the event as any other member.
- The host or hostess for an event held in their home need not pay for the event. This applies to one person per event.

Event Fees – Determining What to Charge for an Event:

- Determine expenses and fees using the Event Worksheet/Budget Form as a guideline. A Trip Packet and all Event/Trip forms can be found on the Altair website at www.altairsports.org (FORMS)
- **Trip and other events are expected to be self-supporting and to contribute income to the Club:**
 - **Member Fees:** a minimum of **10%** above the cost to Altair overhead with a minimum of **\$2.00** and **\$30.00** maximum per member is added to the event expenses as income to the Club.
 - **Non-Member Fees:** a minimum of **25%** above the cost to Altair as overhead, with a minimum of **\$5.00** and a maximum of **\$75.00** as income to the Club.
 - A member of the Far West Ski Association qualifies for Member pricing.
- Use the Event Worksheet to list all expenses such as food, prizes, t-shirts, lodging, corkage fees, rewards, park entrance fees, copy costs for flyers & copies for Board approval, etc. The fee charged to participants for the event must fully cover all expenses listed as well as the addition of 10% per member and 25% per non-member as income to Altair.
- All Altair members, including Event Leaders, pay the same for comparable accommodations.
- Event Leaders need to determine if non-members are allowed to attend.
- If a similar event has been done previously, the Event Leader(s) can ask the Treasurer about the income and expenses for the previous event. Generally the Event Leader(s) for the previous event can be contacted for advice.
- If you are an Event Leader and wish to receive an Event Leader incentive award or an Altair gift certificate, you must include the amount in your Event Worksheet/Budget Form. (see **Event Leader's Incentive Reward**).
- If an event will have income over \$100 or is an overnight trip, the Board must approve the event and sign-ups are required.
- If an event will have income of under \$100 Board approval is not needed, but the club overhead of 10% and 25% is still required, as well as sign-ups. The event may be advertised in the newsletter.
- A member who has Board approval may be paid for goods, service or accommodations on an event. Their pay/fee will be submitted and paid as an expense & must be included on the worksheet/budget.
- If Event Leaders use personal property or accommodations, the event should be charged no more than the fair market value of those accommodations. The fair market value and this situation must be disclosed to the Board at the time the event is presented for approval. Documentation of this value must be submitted with the event reconciliation packet submitted to the Treasurer for reimbursement.

Event Income & Deposits:

- **Altair does not accept cash** unless approved by the Board and are nominal fees (bowling, newsletter, directories)
- Checks must be payable to **Altair**, not the Event Leader.
- Altair accepts checks, VISA, or MasterCard.
- Altair does not accept American Express, debit cards, 2-party checks or post dated checks.
- A separate check or charge slip must be completed for each event signed up for.
- If paying by bankcard, they must first go to the Treasurer's table to charge their event. They will receive 2 charge slips: a Customer's Copy to keep and a Merchant's Copy to be given to the Event Leader when they sign up.
- Event Leaders **should not hold checks** until the completion of signups.
- Event Leaders should prepare deposits slips and turn in with checks and charge slips after each General Meeting. Checks should be processed and turned in to the Treasurer right away.

Event Leader's Incentive Reward:

- Event Leader(s) may be eligible for incentive rewards for organizing an event if the Club's 10% (25% non-member) profit is met.
- Incentives are awarded in the form of Altair gift certificates equal to the value of one member's fee, but not more than \$120 per event.

- The maximum cumulative incentive awarded to any single Event Leader in one calendar year shall not exceed \$600.
- The amount of the Event Leader's Incentive Reward must be calculated into the expense figures when completing the Event Worksheet/Budget Form when planning the event. (see Event/Trip Planning & Presentation)
- After the event an Event Leader's Incentive Reward must be requested on the Trip/Event Reconciliation Form.
- The incentive shall be awarded by the Board upon satisfactory completion and submission for review of all related paperwork and appropriate Club profit has been confirmed.
- The Treasurer will verify that there are funds to cover the cost before the incentive reward will be given.
- A reward will be awarded after all expenses are paid and the 10% (25% for guests) for Altair overhead has been paid.

Event Planning & Presentation:

- If planning to present an event or trip for Board approval, notify the Secretary of the presentation, so it can be placed on the Agenda.
- If an event will have income of \$100 or more or it is an overnight trip, the Board must approve the event and sign-ups are required.
- Read and review the Trip/Event Process and Check List available at www.altairsports.org so you know what is required prior to attending a Board Meeting to present your event.
- Event forms and packets are available online www.altairsports.org and at the General Meetings or Board Meetings.

- If unable to attend a General meeting, another Altair member (not the Event Leaders) can sign up for another member.
- All members and non-members must pay the sign-up fee for the event in full, unless the Event Leaders determine a payment plan is appropriate for the more expensive events. Such payment plan must be laid out prior to Board approval.
- **No one is considered signed up unless and until payment is received.**
- Event Leaders may determine if guests can or cannot sign up for an event for the first 30 days that sign-ups

- TGIFs at member's private homes are for **Members Only**, unless the host member specifies that it is open to Non-Members. Many times there are space limitations, so the Club defaults to **Members Only** for private homes.
- **Waiver forms must be signed when Altair functions are in private homes** and marketed by Altair. According to the legal advice provided, for functions held in Altair Members' homes: the homeowner is primarily responsible for any liabilities stemming from an event; however, due to an Altair member hosting such event, attempts could be made to include the Club in legal actions.
- Waiver forms are not necessary for Altair TGIFs held at restaurants, lounges, business entities, etc. as the facility and the businesses are responsible for any liabilities including injury, death, etc.
- The TGIF Director would appreciate any suggestions for new venues.
- Please remember to tip.
